

Steam Power Stations

Applications:

- **Main turbine lubricating system**
- **Main turbine control system**
- **Auxiliary turbine lubricating system**
- **Auxiliary turbine control system**
- **Auxiliary turbine gear box**
- **Coal crane hydraulic system**
- **Coal mill gear box**
- **High pressure by-pass system**
- **Low pressure by-pass system**
- **Blower pitch control**
- **Various hydraulic systems**
- **Transformers**
